RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

In a Notice of Non-Compliant Amendment mailed December 11, 2007, the listing of claims was deemed non-compliant because claim 39, former heading D, had a typographical error in which the term “node” was added inadvertently after the phrase “second local network interface” and not underlined. In response, a corrected listing of claims is submitted herewith, removing the term “node” after the phrase “second local network interface” in former heading D of claim 39.
